STANDARD IMAGING FEATURES

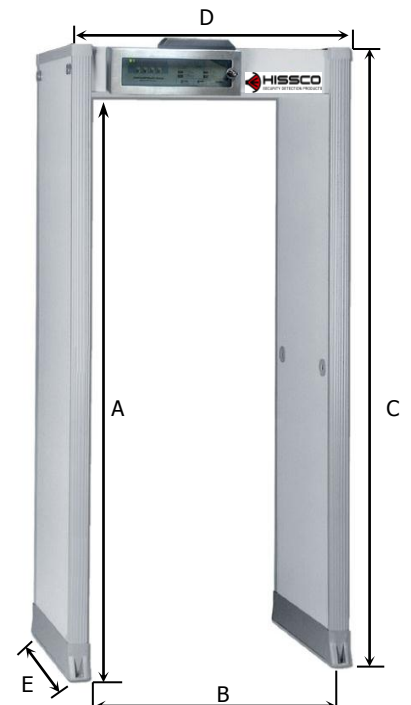

- Operator Assist (OA)
- Image Archiving (IA)
- Continuously variable contrast adjustment
- Tri-material discrimination
- Pseudo colour imaging
- Zoom 2X - 16X or continuous zoom to 64X
- Edge enhancement
- High / Low penetration
- Reverse video
- Organic / Inorganic stripping
- Transparent Colour

FEATURES (OPTIONAL)

- 30-Day Archiving
- Article tray
- Article tray slide
- External UPS
- Threat Image Projection (TIP)
- Customised entry and exit roller beds
- Fliptop or remote work station
- Colour printer

ARCHWAY METAL DETECTORS
